

Terms and conditions of service for carers:

1. Nature of the relationship

1.1 These rules do not constitute a contract of employment or contract for services.

2. Appointment

2.1 Each carer appoints Corinium Care as their agent to make introductions to clients on the understanding that the contracts for services between the client and the carer are on a rota-by-rota basis only.

2.2 Corinium Care will do its best to introduce carers to suitable clients, but cannot guarantee that this will always be possible.

2.3 Carers are free to accept or decline work arranged by Corinium Care but, where they do accept, they are expected to adhere to the arrangements made with a client.

3. Payment

3.1 For private work each carer appoints Corinium Care as their agent to agree their charges with the client, who will pay them directly before departure.

4. Carers' obligations

4.1 As carers registered with Corinium Care are not Corinium Care's employees, nor are they contracted to Corinium Care, they have no conditions of employment.

4.2 Carers when first registering and on any subsequent request by Corinium must produce satisfactory evidence that they are legally entitled to work in the UK without any restriction.

4.3 Carers must accept that the duties with individual clients may be terminated at any time by the client, or by Corinium Care acting on behalf of the client.

4.4 Carers may terminate their registration with Corinium Care at any time by giving reasonable notice. If within six months a carer enters into an arrangement with a client previously introduced to them by Corinium Care they must notify Corinium Care in writing as soon as possible.
